The OPNAV Form 5360/1, "Burial at Sea Request/Authorization" allows a family member to request a burial at sea for a veteran, and lists the documentation required to enable the Navy to honor the request. This information is required to ensure the person making the request is the legal person authorized to direct the disposition of the deceased.

The OPNAV Form 5360/2, "Burial at Sea Port Checklist," is used only when the requested remains are fully casketed. Certain preparation is required for these remains to ensure adequate safeguarding during transportation, storage aboard the ship until the event, and to ensure the casket sinks during the ceremony. The funeral home responsible for the storage, preparation and delivery to the port uses the checklist to prepare and inspect the casketed remains prior to transport.
